CONTAINS HYDROCHLORIC ACID. See First Aid and other precaution statements on side panel.

EPA Reg. No. 11694-27

EPA Est. 11694-KS-1

NET VOLUME: 1 QUART

DIRECTIONS

Hold swab over toilet or urinal and saturate with Bowl Cleaner. Swab on surface around and under the rim to remove stains. Flush to rinse. For all toilet bowl applications, remove standing water from bowl. Apply Bowl Cleaner liberally with swab and allow to remain in contact with stains for about five minutes before swabbing and rinsing. Bowl Cleaner also deodorizes.

DANGER

Corrosive: Keep Out of Reach of Children. May be fatal or harmful if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin, or on clothing.

FIRST AID

If swallowed, call a physician immediately. Drink a teaspoonful or more of milk of magnesia or a cup of soapy water followed with milk or raw egg whites.

Eye Contact—Wash with water for 15 minutes. Get prompt medical attention.

Skin Contact—Wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

Do not use on sinks, lavatories, bath tubs or other porcelain surfaces. For vitreous only.

Rinse empty container thoroughly with water and discard it.
