

MAY 24 1989

Dymon, Inc.  
3401 Kansas Avenue  
Kansas City, KS 66106

Attention: David L. Jones

Gentlemen:

Subject: Do-It-All  
EPA Registration No. 11694-34  
Your Application Dated November 7, 1988  
Your EPA Received Date November 23, 1988

The amendment referred to above to change the product name from "Do-It-All General Purpose Foaming Cleaner" to "Do-It-All" would be acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
  - a. Place the signal word "Warning" immediately below the statement "Keep Out of Reach of Children" (front panel only).
  - b. On the back panel, include the following two precautionary headings directly above the word Warning.

Precautionary Statements  
Hazards to Humans and Domestic Animals

- c. Revise the referral statement to read (front panel only):

See back panel for additional precautionary statements.

- d. Revise "Herpes Simplex Virus Type I and II" to read "Herpes Simplex Virus Type 1 and 2" [Three (3) different places].

2. Submit five (5) copies of final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

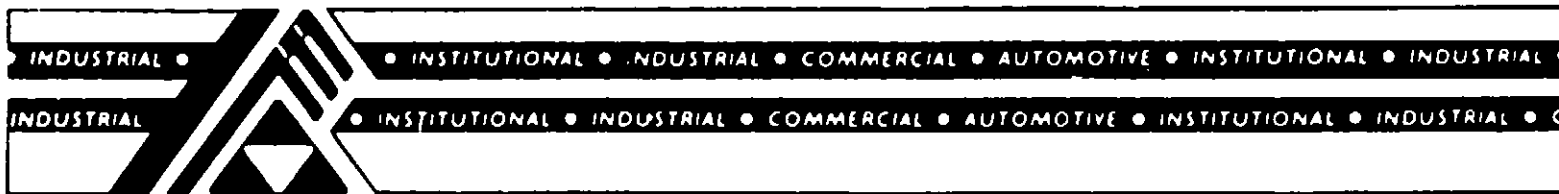

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 557-6982.

Sincerely yours,

John H. Lee

Authorized  
By USDA

Disinfects the following organisms on hard nonporous inanimate environmental surfaces: Herpes Simplex type I virus, Herpes Simplex Type II virus, Influenza A2 (Hong Kong) Virus, Staphylococcus Aureus, Pseudomonas Aeruginosa, Salmonella Choleraesuis.

Used on: counter tops, table tops, plastic surfaces, sinks, bath tubs, wash basins, formica, exhaust fans, stainless steel, woodwork, porcelain, leatherette, plastic.

Used in: hospitals, institutions, office buildings, factories, motels, meat and poultry plants. Leaves the surface clean and free from odors. Excellent for all bathroom fixtures, grouting tile, and shower stalls.

Also excellent for cleaning vinyl, leather, and plastic upholstery, stery, varnished, painted and enamel surfaces. Contains no abrasives.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**To clean:** Remove cap, shake, spray evenly over the surface, wipe clean. For heavily soiled surfaces, allow foam to remain for a minute before wiping.

**To disinfect:** Clean surface thoroughly as directed above. Then spray a thin coat of foam, making sure it covers the entire surface to be disinfected. Allow to remain for at least 5 minutes, then wipe off with clean damp cloth.

After using the product on food processing equipment and food contact surfaces, thoroughly rinse with potable water.

**STORAGE & DISPOSAL**

**Storage:** Contents under pressure. Do not store near fire, spark or flame. Exposure to temperatures above 120°F. may cause bursting.

**Pesticide Disposal:** Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Replace cap and discard in trash. Do not puncture or incinerate.

**General:** Consult federal, state or local disposal authorities for approved alternative procedures.

**WARNING**

Avoid getting concentrate in eyes. In case of contact flush with water. If irritation persists, get medical attention.
