

Dry Fog
ULV

EXPEL

Total Release
Insect Fogger

ACTIVE INGREDIENTS	
d-trans Allethrin (allyl homolog of Cinerin 1)	300%
Related compounds	023%
3-Phenoxybenzyl d-cis & trans 2,2-dimethyl-3-(2-methylpropenyl) cyclopropanecarboxylate	191%
Other isomers	009%
Petroleum distillate	1450%
Inert Ingredients	98.027%
	100.000%

100% d-cis (trans) phenothrin
100% d-cis (trans) isomer ratio: max 25% (for d-cis)
min 75% (for d-trans)

CAUTION

Keep Out Of Reach Of Children
Contents Under Pressure
See back panel for additional precautions.

NET WT. 4 OZ. 113.5 GRAMS

For use in rooms, apartments, homes, offices, basements, campers, boats, garages, pet sleeping areas, storage areas, cabins & household storage areas. Kills household mosquitoes, rice weevils, black carpet beetles, small flying moths, spiders, saw-toothed grain beetles, wasps, pill bugs, crickets, fleas & silverfish. Aids in the control of cockroaches.

DIRECTIONS FOR USE: Cover exposed foods, dishes and food handling equipment. Open cabinets & doors to area to be treated. Shut off fans and air conditioners. Put out all flames & pilot lights. Close doors & windows. Use one unit for each 4,000 cu ft. of unobstructed area. Do not remain in the area during treatment. Ventilate thoroughly before re-entry. **FOR AUTOMATIC DISCHARGE:** Remove cap. Point valve opening away from face and eyes. Insert cap and lock on valve by pulling cap straight down over valve stem. Then place fogger on stand or table in center of room with valve locked open. Leave room at once and keep room closed for 4 hours before airing out. Open all doors and windows & allow to air for 30 minutes. Repeat spraying in 2 weeks or when necessary.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: FLAMMABLE

Harmful if swallowed or absorbed through skin. Avoid contact with skin. Avoid contact with skin, eyes or clothing. Avoid inhalation of vapors. In case of contact, immediately wash skin with plenty of soap and water. For eyes, flush with plenty of water and get medical attention if irritation persists.

Do not use in commercial food processing, preparation, storage or serving areas in the home. All food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Avoid contamination of food and feed stuffs.

Remove pets, birds and cover fish aquariums before spraying.

Physical Hazards: Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Storage and Disposal: Store in a cool, dry area away from heat or open flame. Do not use empty container. Wash container and put in trash collection.

General Classification: This is a violation of Federal law to use this product in a manner inconsistent with its labeling. Only for sale to, use & storage by servicepersons.
