

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals

**WARNING**

Keep out of reach of children. Causes eye and skin irritation. Do not get in eyes, skin or on clothing. Harmful if swallowed.

**STATEMENT OF PRACTICAL TREATMENT**

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician.

**NOTE TO PHYSICIAN**

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Preclean all surfaces prior to disinfection. This product is designed for general cleaning and disinfecting in nursing homes, hospitals, institutions, offices, schools, motels and hotels. This product is formulated to disinfect inanimate hard surfaces (such as walls, sink tops, tables, chairs, telephones, door knobs, light switches, shower stalls, hampers, cabinets, and bed springs). When used as directed, this product is effective against *Staphylococcus aureus*, *Salmonella choleraesuis* and *Pseudomonas aeruginosa*, thus meeting requirements for hospital use. Efficacy tests have demonstrated that this product is an effective one-step cleaner-disinfectant in the presence of organic soil (5% blood serum). In addition, this product deodorizes those areas which generally are hard to keep fresh smelling such as garbage storage areas, empty garbage bins and cans, basements, restrooms and other areas which are prone to odors caused by microorganisms.

**Disinfection, Cleaning, and Deodorizing:** On hard non-porous surfaces such as bathroom tiles, fixtures, shower stalls, walls, sinks and bathtubs, proceed as indicated below:

1. Hold container six to eight inches from surface to be treated.
2. Spray area until it is covered with the solution. Allow the product to penetrate and remain wet for 10 minutes. No scrubbing necessary.
3. Wipe off with a clean cloth, mop or sponge. The product will not leave grit or soap scum.

EPA Reg. No. 11694-88 EPA Est. No. 11694-K3-1

**DIRECTIONS FOR USE (cont.)**

**Virucidal:** Against Herpes Simplex type 1 virus, Herpes Simplex type 2 (genital) virus and Influenza A2 (Hong Kong) virus, HIV-1 (AIDS Virus).

**Fungicidal:** Against Pathogenic fungi (T. monoglyphytes) when used as directed on hard surfaces found in the bathroom, shower stall and locker room or other clean, hard non-porous surfaces commonly contacted by bare feet.

**Mildewstat:** To control and prevent mold and mildew on hard nonporous surfaces (such as floors, walls, table tops), spray the surface to be treated, making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mildew growth reappears.

**\*KILLS HIV ON PRE-CLEANED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY SOILED WITH BLOOD/BODY FLUIDS** in health care settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids, and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of human immunodeficiency virus Type 1 (HIV-1) (associated with AIDS).

**\*SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 (AIDS VIRUS) OF SURFACES/OBJECTS SOILED WITH BLOOD/BODY FLUIDS. PERSONAL PROTECTION:** When handling items soiled

with blood or body fluids, use disposable latex gloves, gowns, masks, or eye coverings.

**CLEANING PROCEDURES:** Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application.

**CONTACT TIME:** Allow surface to remain wet for 10 minutes.

**DISPOSAL OF INFECTIOUS MATERIALS:** blood and other body fluids should be autoclaved and disposed of according to local regulations for infectious waste disposal.

**STORAGE AND DISPOSAL**

**Storage:** Keep containers tightly sealed when not in use. Store containers indoors and in a dry area. Keep from freezing. Use from original container only.

**Pesticide Disposal:** Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Open dumping is prohibited.

**Container Disposal:** Do not reuse container. Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned stay out of smoke.
