

U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:  
11694-112

Date of Issuance:  
NOV 3 2005

NOTICE OF PESTICIDE:  
  x   Registration  
       Reregistration

Term of Issuance:  
Conditional

Name of Pesticide Product:  
Sunscreen Insect  
Repellent Towel

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Illinois Tool Works, Inc.  
805 East Old 56 Highway  
Olathe, KS 66061

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No.11694-112".
- b. Change the signal word from WARNING to CAUTION.
- c. Change the Precautionary Statements to read:

Harmful if swallowed. Causes moderate eye irritation.  
Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.  
Avoid contact with eyes.

Signature of Approving Official:

- d. Add the following statements to the First Aid section of the label:

IF YOU SUSPECT A REACTION TO THIS PRODUCT:

- \* Discontinue use.
- \* Take off contaminated clothing.
- \* Rinse skin immediately with plenty of water for 15-20 minutes.
- \* Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

In case of emergency call toll free(insert number).

- e. Change the statement ~~Read all directions before using this product.~~, to read ~~Read and follow all directions and precautions on this product label.~~
- f. Delete ~~(under 10)~~ from the statement, ~~Do not allow children (under 10) to handle this product, and do not apply to children's hands.~~
- g. Add the statements, ~~Do not apply near eyes or mouth. Apply sparingly to ears.~~
- h. Add the statement, ~~When using on children, apply the product to the child yourself.~~
- i. Delete the statement, ~~For Commercial/Institutional Use.~~
- j. The company's name and address must appear on the label.
- k. Delete the claims, ~~Long lasting protection~~ and ~~Stainfree formula will not harm clothes.~~

3. Submit two (2) copies of the revised final printed label for the record.

4. Product Specific Efficacy data is a requirement and must be submitted to support this registration. Once the Efficacy Guidelines have been finalized, you will be notified as to what data must be submitted.

5. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

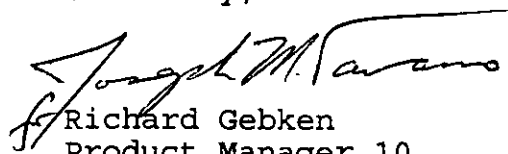

EPA Reg. No. 11694-112

Submit the results of the 1 Year Storage Stability study and the Corrosion Characteristics study when completed. See the enclosed Product Chemistry review for details.

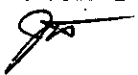

Copies of the Acute Toxicity review and Product Chemistry review are enclosed for your information.

A stamped copy of the label is enclosed for your records.

Sincerely,

Richard Gebken  
Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

**DIRECTIONS FOR USE**  
It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read all directions before using this product.

Remove towelette and unfold fully. For maximum protection, wipe evenly and completely over all exposed skin. Do not apply near eyes and mouth, and apply sparingly around ears. Each towelette will cover {the} {an} {adult} face and arms or an equivalent size area. Apply only to exposed skin {and/or clothing}, do not use under clothing. Never apply over cuts, wounds, or irritated skin. Do not allow children {under 10} to handle this product, and do not apply to children's hands. Avoid overexposure; frequent reapplication and saturation are unnecessary. Use just enough repellent to cover exposed skin. Wash hands after treatment to avoid incidental contact. After returning indoors, wash treated skin with soap and water or bathe. Remove and wash treated clothing before wearing it again.

{For ticks and chiggers, also apply liberally to shoe tops, socks and around openings of clothing.}

Do not apply on or near: acetate, rayon, spandex or other synthetics other than nylon, furniture plastics, leather, watch crystals and painted or varnished surfaces including automobiles.

### PRECAUTIONARY STATEMENTS

#### Hazards To Humans & Domestic Animals

**WARNING.** Flammable liquid and vapor. Causes eye irritation. May be harmful if swallowed. Avoid contact with eyes and lips. Do not apply to excessively sunburned or damaged skin. May cause skin reaction in rare cases.

### FIRST AID

**IF IN EYES** - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF SWALLOWED** - Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have this product with you when calling a poison control center or doctor, or going for treatment.

### PHYSICAL OR CHEMICAL HAZARDS

Flammable liquid and vapor. Do not use or store near heat or open flame. Keep treated surfaces away from fire or flame until dry.

### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool dry area away from heat or open flame in an area inaccessible to children.

**DISPOSAL:** Do not reuse this container. Place towelette back in {pouch} {foil container} and place in trash.

{For an MSDS, call XXX-XXX-XXXX or visit www.xxxxx.com and request document #xxxxx}

### FOR COMMERCIAL/INSTITUTIONAL USE

{Buyer assumes all risk of use, storage or handling of this product not in strict accordance with directions given herewith.}
