

SPEER

Fast Knockdown

WASP & HORNET SPRAY

ALSO KILLS SCORPIONS

Kills Wasps and Hornets when sprayed on nest or when sprayed on these pests in houses or buildings. Kills Scorpions, Black Widow Spiders and Tarantulas when sprayed directly on them.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

Contents under pressure. See other cautions on back.

WARNING: FLAMMABLE

NET WT. 1 LB. 4 OZ. (20 OZ.)

DIRECTIONS FOR USE

FOR CONTROL OF WASPS and HORNETS: Apply after dark when all of the insects have returned to the nest. Remove cap, hold can upright, aim valve opening at nest and depress button, soaking nest with the spray. When all wasps and hornets have fallen from the nest, destroy the nest. Repeat as necessary.

For wasps, hornets and scorpions in buildings and home, spray directly on them as a spot treatment. Do not use as a space spray. After they fall to the floor, sweep up and destroy dead insects.

OTHER USES—OUTDOORS ONLY: For Control of Ants, Clover Mites, Crickets, Earwigs, Fleas, Millipedes, Sowbugs, and Brown Dog Ticks: Spray infested areas thoroughly, including surfaces of screen frames, doors, window frames, foundations, patios, or other places where insects may enter or congregate. For Ants, spray hills and runways. Repeat as necessary. Do not spray vegetation. Do not use as a space spray.

CAUTION: KEEP THIS AND ALL AEROSOLS OUT OF REACH OF CHILDREN. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid inhalation and skin contact; wash thoroughly after using. Do not use on household pets or human beings. Do not contaminate foodstuffs, water, or fishponds. Do not use on vegetation. If poisoning occurs, get prompt medical aid. To physician — Atropine sulfate is antidotal.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Do not allow children in treated areas until surfaces are dry.

WARNING: FLAMMABLE. Do not spray near open flame. Do not smoke while using. Contents Under Pressure. Do not puncture or incinerate container. Do not store at a temperature in excess of 120 F. Do not place this container on stove, radiator or in direct sunlight.

ACTIVE INGREDIENTS:

Pyrethrins	10%
Piperonyl Butoxide, Technical	20%
+N-Octyl Bicycloheptene Dicarboximide	33%
+o-Isopropoxyphenyl Methylcarbamate	50%
Petroleum Distillates	51.87%
	47.00%

INERT INGREDIENTS:

TOTAL 100.00%

Consists of .16% (butylcarbityl) (6 propylpiperonyl) ether and .04% other related compounds
