JAN 1 0 1992

Mr. T. David Williams Speer Products, Inc. 4242 B. F. Goodrich Boulevard Memphis, Tennessee 38118

Dear Mr. Williams:

Redesignation of Petroleum Distillates as Inerts Subject: Speer Wasp & Hornet Spray EPA Registration No. 11715-12 Your Application Dated October ^, 1991

The amendment referred to above, submitted in connection with registration under TIFRA sec. 3(c)(7)(a), is acceptable, provided that you:

- Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
- Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - Add a footnote to the Inert Ingredients to indicate a. that they include petroleum distillates, such as: " * Contains petroleum distillates."
 - On the front panel, change the reference. "See other b. cautions on back panel" to read: "See other precautions on back panel."
- Submit five (5) copies of final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

DHE

Dennis H. Edwards, Jr. Product Manager (19) Insecticide-Rodenticide Branch Registration Division (H7505C)
