

04 JUN 1992

Mr. T. David Williams, J.D.
Speer Products, Incorporated
4242 B.F. Goodrich Boulevard
P.O. Box 18993
Memphis, Tennessee 38181-0993

Dear Mr. Williams:

Subject: Revised Labeling
Speer Industrial Insecticide
EPA Registration Number 11715-17
Submission dated May 15, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Submit one (1) copy of the finished labeling prior to releasing the product for shipment. A stamped copy of the product label is enclosed for your records.

1. Delete the word **CONCENTRATED** which appears on the front panel of the product label, or substantiate the use of this term for a product which contains only 0.5% pyrethrins and 4.0% PBO.
2. Revise the sentence in the **PRECAUTIONARY STATEMENTS** section of the product label to read: In food processing facilities, all food contact surfaces, benches, shelving, utensils, etc. should be covered or removed during treatment or thoroughly washed with an effective cleaning compound followed by a potable water rinse prior to use.
3. For the record, submit a current Confidential Statement of Formula (EPA Form 8570-4).

Sincerely,

Richard F. Mountfort
Product Manager 10

Insecticide-Rodenticide Branch
Registration Division

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND
DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed or absorbed through the skin. Avoid breathing vapors. Avoid contact with eyes, skin, or clothing. Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when the facility is not in operation.

In hospitals, patients should be removed from the room prior to treatment. Room should be ventilated for 2 hours after spraying. Do not return patients to room until after ventilation.

Avoid contamination of food and feedstuff. Cover or remove fishbowls. Remove all pets from area to be treated. In case of skin contact, wash with soap and water.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F. may cause bursting.

**STATEMENT OF PRACTICAL
TREATMENT**

If **swallowed**: Call a physician or Poison Control Center. Do not induce vomiting. Note to Physician: May present aspiration hazard.

If **inhaled**: Remove victim to fresh air. Apply artificial respiration if indicated.

If **on skin**: Remove contaminated clothing and wash affected areas with soap and water.

If **in eyes**: Flush eyes for at least 15 minutes with water. Call a physician immediately.
