

20 MAR 1992

Mr. T. David Williams, J.D.
Speer Products, Incorporated
P.O. Box 18933
Memphis, Tennessee 38118

Dear Mr. Williams:

Subject: Revised Labeling in Response to DEET LIP
Speer Insect Repellent
EPA Registration Number 11715-22
Submission dated October 22, 1991;
Submission received March 18, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Submit one (1) copy of the final printed label prior to releasing the product for shipment.

1. Revise the statement which appears in the section titled "SKIN APPLICATION FOR MOSQUITOES, BITING FLIES, GNATS AND FLEAS" to read as follows:

To apply to face, spray into palm of hand in short bursts and spread on exposed skin.

2. Although inclusion is preferred, it has been determined that it is acceptable to remove the statement "If you go to a doctor, take this repellent with you" from the product label. You may remove this statement from the label without submitting an amendment form.

Sincerely,

Richard F. Mountfort
Product Manager (10)
Insecticide-Rodenticide Branch
Registration Division

DIRECTIONS FOR USE

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not spray in enclosed areas. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Use just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

Use of this product may cause skin irritations in rare cases. If you suspect you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

SKIN APPLICATION MOSQUITOES GNATS

Hold unit 4 to 6 inches while applying with a surface is slightly moist. Ensure even distribution. spray with palm of hand on the skin. Apply with mouth. DO NOT SPRAY

CLOTHING TREATMENT BITING INSECTS FLEAS,
