Dear Mr. Williams::

Subject: Label Change
Speer Food Plant Pressurized Insect Spray
EPA Reg. No.: 11715-40
Submission Dated: Dec. 5, 1991 Received: May 5, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

Delete the phrase "Related compounds" from the ingredient statement. Unless otherwise indicated, related compounds should be included with the appropriate active ingredient. Therefore, adjust the Resmethrin content to include the related compounds percentage.

Sincerely,

Richard F. Mountfort
Product Manager 10
Insecticide & Rodenticide Branch
Registration Division (H7505C)
