HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.

PHYSICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

TO KILL FLEAS ON CATS

Hold the can upright. Spray the animal from a distance of 3-12 inches. Apply at the rate of one second per pound of body weight.

Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under the body. While spraying, fluff the hair so that the spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes, face or genitals. Repeat weekly, if needed. Do Not Use On Cats Under 12 Weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat or open flame.

DISPOSAL: Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

۹.

In case of emergency or for product use information call (901) 362-1950, Monday - Friday, 7:30 a.m. 4:30 p.m. CST (Distributors may elect to use their own phone numbers and hours of operation).
