DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE BEFORE USE
HOLD CONTAINER UPRIGHT
APPLY IN SHORT BURSTS**

To Protect Woolen Articles:

Brush woolen articles clean, air, and remove persistent spots and stains by dry cleaning. Holding dispenser at least two feet from garment, spray thoroughly. Treated articles should be put in darkened closet or other darkened storage area. For best protection, clean and spray insides of closets or storage units for 30-40 seconds before putting treated articles away. This will kill the larvae and adults of carpet beetles and clothes moths. Treatment should be repeated every six months or as needed. Dry clean treated clothes before wearing.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a cool, dry area away from heat or open flame.

DISPOSAL: Do Not Puncture or Incinerate!
If empty: Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

(Distributors may elect to use their own phone numbers and hours of operation).
