## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

#### CAUTION

Harmful if swallowed. Avoid breathing vapors or spray mist. If swallowed do not induce vomiting. Get immediate medical attention. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

When used in hospitals, patients should be removed prior to treatment. Ventilate for two hours after treatment. Do not return patients to room until after ventilation.

Do not apply directly to food. Do not apply space spray while food processing is underway. Cover or remove all food processing surfaces. Thoroughly wash all food processing surfaces before re-use. After spraying in meat packing plants, bakeries and the food processing plants, wash with potable water all equipment, benches, shelving, etc. where exposed food will be handled.

When using in animal housing areas, do not apply directly to food, water or feed supplements. Do not apply directly to animals. Wash teats of dairy animals before milking.

Remove pets, birds and cover fish aquariums before spraying.

#### Physical Hazards

Do not use or store near heat or open flame.

## STORAGE AND DISPOSAL

**Storage:** Store in a cool, dry place. Keep container closed.

**Pesticide Disposal:** Pesticide or rinsate that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**Container Disposal:**

a) Containers of 30 gallons or more—reseal container and offer for reconditioning or

b) All containers—triple rinse (or equivalent) and offer for recycling, reconditioning or disposal in approved landfill or by other approved State and local procedures.

**General:** Consult Federal, State or Local disposal authorities for approved alternative procedures.
