P.O. Box 18993
Memphis, TN 38181-0993

Subject: Amended Label For:
Speer Dairy & Food Plant Insecticide
EPA Registration No. 11715-111
Application dated March 11, 2003

Dear Mr. Washburn:

The proposed amendment to the registration of the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, revising the label in accordance with PR Notices 2001-1 and 2001-6 is acceptable subject to the comment listed below:

Since the product contains petroleum distillates, the First Aid statement for If Swallowed must be changed to read:

"If Swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person."

A stamped copy of the label is enclosed for your records. Submit two copies of the final label before this product is released for shipment under this revised label.

If you have any questions, please contact Joseph Tavano at (703) 305-6411.

Sincerely,

Linda Arrington
Acting Product Manager 10

PROCESSING PLANTS.**

NET CONTENTS: _____

EPA Reg. No. 11715-111
EPA Est. No. 11715-TN-1

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed. Avoid breathing vapors or spray mist. Get medical attention. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. In hospitals, remove patients prior to treatment. Ventilate for two hours after treatment. Do not return patients to room until after ventilation.

Do not apply directly to food. Do not apply space spray while food processing is underway. Cover or remove all food processing surfaces. Thoroughly wash all food processing surfaces before re-use. After spraying in meat packing plants, bakeries and food processing plants, wash all benches, shelving, food processing utensils, and food handling surfaces with an effective cleaning compound followed by a potable water rinse prior to use.

When used in animal housing areas, do not apply directly to food, water or feed supplements. Do not apply directly to animals. Wash teats of dairy animals before milking. Remove pets, birds, and cover fish aquariums before spraying.

**ACCEPTED

FIRST AID (Cont'd)	
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
IF IN EYES:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.	

PHYSICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

Space Spray to Kill Flies, Mosquitoes, Gnats, and Flying Moths: Shake container gently to be sure contents are uniformly mixed. Pour in sprayer. Close doors and windows and turn off ventilation equipment. Mist all parts of the room or area at a dosage of one fluid ounce of dilute spray per 1,000 cubic feet of space. Vacate premises. Keep room closed for 15 minutes. Ventilate prior to re-entry. Repeat as necessary.

Contact Spray to Kill Roaches, Waterbugs, Crickets and Exposed Forms of Crawling Grain Pests: Shake container gently as above. Apply as a coarse spray to all cracks and crevices in woodwork, beneath sinks, dark places behind pipes and in all places where these insect rest, contacting as many insects as possible with the spray. Repeat applications as often as necessary to gain control. For grain weevils, cadelles, grain moths, flour beetles and grain mites, apply as a coarse spray to all infested surfaces, insect hiding places and insect runways at the rate of one gallon of dilute spray on 750 square feet of area. Repeat as necessary.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool, dry place away from heat or open flame. Keep container closed.

DISPOSAL: **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
