1/2

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

**Highly Flammable Ingredient**  
**Ingrediente Altamente Inflamable**

This product will kill Cockroaches, Houseflies, Confused Flour Beetles, Saw-toothed Grain Beetles, Rice Weevils, Small Flying Moths, Fleas, Ticks, Pill Bugs, and Crickets,

#### **DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft x 5 ft. or smaller, instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc) Call your gas utility or management company if you need assistance with your pilot lights.

**PREPARATION:** Cover exposed food, dishes, and food handling equipment. Open cabinets and doors to areas to be treated. Shut off fans and air conditioners. Put out all flames except pilot light. Close doors and windows. Point valve opening away from face and eyes when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured. Do not remain in the area during treatment and ventilate thoroughly

before re-entry.

**TO START FOGGING:** Place fogger on table, chair or stand, at least six feet from pilot light. Place several thicknesses of newspapers under canister to prevent marring of surface. Hold can at arm's length with top of can pointing away from face and eyes. Push down on finger pad until it locks. This will start fogging action. Set canister in upright position on table, etc. and leave building at once.

**DO NOT ENTER BUILDING FOR ONE HOUR,** then open exterior doors and windows and allow to air for 30 minutes before reoccupying area.

**TO KILL TICKS AND FLEAS:** Destroy old pet bedding and replace. Use product as above. Treat dogs and cats with registered tick control product prior to re-entry.

#### **STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry area away from heat or open flame.

**DISPOSAL:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
