NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 11715-150."
- b. This application has been approved based on the provisions of PR Notice 84-4 pertaining to data compensation. A final rule on data compensation has become effective as of April 25, 1985, and future applications must be submitted under these new procedures. Information on new procedures and forms will be set forth in a PR Notice which will be mailed to all registrants and applicants.
- c. Please update the storage and disposal statements per PR Notice 81-3.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Pyrenone Stabilene Horse Insecticide has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out. 1-2 ounces per head per day gives adequate protection. Apply by either soft cloth or fine mist spray.

**USE TO WIPE ON:**

First, brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where flies most often are seen.

Only a light application is required. Avoid using an excessive amount on your horses. Do not wet skin.

After application, brush out thoroughly to bring out bright sheen on the coat.

Repeat daily or as required.

**USE AS A SPRAY:**

Pyrenone Stabilene Horse Insecticide may be applied as a fine mist spray to stable area and over and around stable horses for fast paralysis and kill of flies. Do not wet horse's skin or exceed two ounces per application.

**STORAGE AND**

**Storage:** Store in a cool, dry place. Do not store near flame.

**Disposal:** Do not reuse empty container and put in

**PRECAUTIONARY  
HAZARDS TO HUMANS &  
CAUTION**

Harmful if swallowed. Remove exposed foods before spraying to dairy animals.

**STATEMENT OF PRACTICE**

**If Swallowed:** Do not induce vomiting. Do not give anything by mouth. Call a doctor immediately.

**If In Eyes:** Flush eyes with water. Continue flushing until irritation is gone.

**If Inhaled:** Remove victim to fresh air. Apply artificial respiration if indicated.

**If On Skin:** Remove contaminated clothing and wash affected area with plenty of soap and water.

**ENVIRONMENTAL**

This product is toxic to aquatic life. Do not apply directly to water. Do not allow runoff to occur. Clean water by cleaning of equipment of wastes. Apply this product in accordance with directions specified on this label.

**PHYSICAL OR CHEMICAL**

Do not use or store near

Buyer assumes all risk of handling of this product in accordance with directions.
