

29 SEP 1992

Mr. Jim Wallace
Speer Products, Inc.
PO Box 18993
Memphis, TN 38118

Dear Mr. Wallace:

Subject: Revised Labeling (Directions For Use)
Speer Liquid Flea & Tick Killer With Deodorant
EPA Reg. No. 11715-160
Your supplier's letter of September 22, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

It is understood that the trigger pump sprayer described in your letter of September 17, 1992 will be used for all further distribution of this pesticide.

Sincerely,

Richard F Mountfort
Product Manager 10

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND
DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin, eyes or clothing. If in eyes, flush with plenty of water. Call a physician if irritation persists. Wash skin with warm water and soap. Do not contaminate food or foodstuffs.

Avoid treatment of nursing puppies or kittens. If treatment is necessary, spray fingertips and rub into animal's coat. Do not spray into eyes, face, or genitals. If reaction should occur, contact your veterinarian immediately. This product is toxic to fish. Keep out of lakes, ponds, streams, tidal marshes and estuaries.

PHYSICAL HAZARDS

Flammable. Keep away from heat and open flame. Do not smoke while spraying.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Do not use or store near heat or open flame. Store in a dry area inaccessible to children.

Disposal: Do not reuse empty bottle. Rinse thoroughly before discarding in trash.

**AVAILABLE THROUGH LICENSED
VETERINARIANS**

**STATEMENT OF PRACTICAL
TREATMENT**

IF SWALLOWED: Call a physician or poison control center. **IF ON SKIN:** Wash off with soap and water. Get medical attention if irritation persists. **IF IN EYES:** Flush with plenty of water. Get medical attention if irritation persists.
