Precautionary Statements
Hazards to Humans and Domestic Animals

CAUTION

Read label carefully. Avoid contact with skin and eyes. Wash hands immediately with soap and warm water. If eyes are contacted, wash thoroughly. If irritation persists.

Do not use in or near food preparation areas, food storage areas, in the home, in the presence of children, and utensils should be covered during treatment. Washed before use. Cover exposed food.

Remove pets, birds, and cover aquariums before spraying.

Some parts of the body, especially the head, of plants, material, and fabrics, may be damaged. Do not use on delicate fabrics.

Physical Hazards

DANGER - The material may be under pressure. Do not use near fire, heated surfaces, sparks, or flame. Do not use in the presence of heat. Exposure to temperatures above 100°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

For Control of Wasps and Hornets: It is preferable to apply this product after dark when all the insects have returned to the nest. Aim valve opening at the nest and depress button continuing to spray until the nest is soaked with the spray. Repeat as necessary.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.
