OFFICE OF  
PREVENTION, PESTICIDES AND  
TOXIC SUBSTANCES

William L. Washburn  
Speer Products Inc.  
4242 B.F. Goodrich Blvd.  
Memphis, TN 38118

Dear Mr. Washburn:

Subject: Speer Stable Spray  
EPA Reg. No. 11715-173  
Submission dated 9-16-03

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

The First Aid statement for products containing petroleum distillate in any amount must read as follows:

If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

Delete the following statement from the Precautionary statements, as it detracts from the first aid statements:

In case of contact, immediately flush contaminated skin with plenty of water.

Revise the two statements about food, feed and feedstuffs to read as follows:

Do not contaminate food, feed or feedstuffs.

If you have questions, please call Ann Sibold at 703 305-6502.

Sincerely,

Richard Gebken  
Acting Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

# SPEER STABLE SPRAY

<b>HOT LINE NUMBER</b>	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.	
<b>NOTE TO PHYSICIAN</b>	
Contains petroleum distillate- vomiting may cause aspiration pneumonia.	

### ENVIRONMENTAL HAZARDS

Remove pets, birds and cover aquaria before spraying. This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on this label.

**PHYSICAL OR CHEMICAL HAZARDS**  
**EXTREMELY FLAMMABLE.** Contents under pressure. Keep away from fires, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F. may cause bursting.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Not for use on horses intended for slaughter.**

**For Face Flies:** Remove mucous secretions and saliva deposits from face of animal. Hold dispenser 18 to 24 inches from animal. Spray face and other body regions for 3-4 seconds per animal. Repeat daily as needed.

**For Horseflies, Horn Flies, Stable Flies, Deer Flies, Houseflies, Mosquitos, and Gnats:** Hold container 18 to 24 inches from animal. Apply

lightly to coat with a sweeping motion. Apply to back, belly, ear, or leg regions. Do not spray entire animal. Spray young animals sparingly. Do not apply to backs of horses prior to saddling. Mist directly over surface wounds minor cuts, and skin abrasions to keep flies away.

**For Use in Barns:** Close all doors and windows and direct spray upward in to center of area with a slow sweeping motion. Spray 5 to 10 seconds for each 1000 cubic feet of space. Do not remain in treated areas. Keep barn closed for 10 minutes after spraying. Ventilate thoroughly after treatment and before re-entry.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:** Store in a cool place away from heat or open flame.

**DISPOSAL:** Do Not Puncture or Incinerate!

**If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
