	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT MAGIC GUARD (Nonflammable) WASP SPRAY	

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide,
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Specialty Products, Inc.
 300 190140
 18 4

NOTE: The registrant must be notified that a pesticide which is registered must be used in accordance with the label directions. In case of any response on this product always refer to the U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with section 3(c)(7)(A) of FIFRA subject to the following conditions.

1. You will submit/cite all data required for registration or reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. You will submit five copies of your finished printed label complying with the requirements or revisions specified in the attachment to this Registration Notice. These labels must be submitted to the Agency before the product is released for shipment as required by PR Notice 82-2 of June 18, 1982.

A stamped copy of the draft label is enclosed for your records. Your release of the product for shipment constitutes acceptance of these conditions. If the conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA.

*This is a corrected copy of the Notice of Pesticide Registration showing the corrected Registration Number for this product. An incorrect number appeared on the original Notice.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing spray mist. Avoid contact, wash thoroughly with soap and water. For eyes, flush with plenty of water. Get medical attention if irritation persists. Avoid contamination of feed and food stuffs.

PHYSICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not stand directly under nest while spraying since insects may fall onto skin or clothing. Always spray with wind at your back.

Remove protective cap. Point spout toward nest, crevice or hole infested by insects. Spray until saturated with insecticide. Apply to nesting areas at dusk or when dark, after insects have returned to the nest

May be used indoors (attics and other places nests are built) or outdoors.

STORAGE AND DISPOSAL

Storage: Store in cool area away from heat or open flame.

Disposal: Replace cap and discard container in trash. Do not incinerate or puncture.
