William L. Washburn
Speer Products, Inc.
P.O. Box 18993
Memphis, TN 38181-0993

Dear Mr. Washburn:

Subject: Response to Dipropyl Isocinchomeronate DCI
Farnam Super-Sheen Wipe-Plus
EPA Registration Number 11715-230
Submission Dated December 12, 1994

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below:

1. Link the phrase "(Contains Petroleum Distillates)" to the Inert Ingredients declaration via a footnote. Delete the parentheses.
2. Revise the "IF INHALED" Statement of Practical Treatment to read as follows:

IF INHALED: Remove victim to fresh air. Get medical attention.

A stamped copy of the label is enclosed for your records. Submit three copies of revised final printed labeling prior to releasing product for shipment.

If you have any questions or comments, please contact me at (703) 305-6788.

Sincerely,

RPK

Richard P. Keigwin, Jr.

BACK PANEL

SUPER SHEEN WIPE PLUS Fly protectant is a specially formulated wipe-on repellent containing absorbable lanolin developed for use on show and pleasure horses where appearance is highly important. When used as directed, Super-Sheen Wipe Plus will provide hours of effective protection against insects as well as impart and maintain a bright, healthy sheen to the hair.

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS AND DOMESTIC ANIMALS****CAUTION**

Harmful if swallowed. Avoid contact with eyes, mucous membranes and skin. Do not use on horses intended for human consumption. Avoid contamination of food. Avoid excessive amounts of Super-Sheen Wipe Plus on your horse. Do not wet hide.

STATEMENTS OF PRACTICAL TREATMENT

IF SWALLOWED: Do not induce vomiting. Drink large quantities of water. Do not give anything by mouth to an unconscious person. Call a physician or Poison Control Center.

IF IN EYES: Flush with water for at least 15 minutes. Seek medical attention if irritation persists.

IF ON SKIN: Wash with soap and water. Wash contaminated clothing before reuse.

IF INHALED: Move individual to fresh air. Seek medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This product is highly toxic to fish. Do not apply directly to water or wetlands (swamps, bogs, marshes, and potholes). Drift from treated areas may be hazardous to organisms in adjacent aquatic sites. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Before application, brush animal down to remove loose dust, dirt, and debris. Moisten (don't soak) a folded piece of Turkish toweling (approximately 12" x 15") with SUPER-SHEEN WIPE PLUS. Rub briskly against the growth direction of hair, giving special attention to shanks, legs, shoulders, neck and facial area of horse. Add more SUPER-SHEEN WIPE PLUS to the toweling as needed to apply approximately two ounces daily depending on the size of the animal. Then groom with a brush.

A FEW IMPORTANT POINTS TO REMEMBER:

*To make sure the proper amount of SUPER-SHEEN WIPE PLUS is transferred to the animal, we recommend that the cloth used to apply the repellent be kept in an airtight container (such as a tin can) between periods of daily use. This will ensure its moistness at the start of daily application.

*Repeated daily applications of SUPER-SHEEN WIPE PLUS may build up repellency on the animal. Thus its effectiveness may be increased and gradually enable you to reduce the amount applied.

*Best application time is between 8 and 10 a.m. This gives you the best protection for the maximum period of time.

*Amount of repellent required to do an effective job will vary according to season, temperature, climate, humidity and cleanliness of the animal.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place inaccessible to children and pets and away from sunlight and heat sources

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.
