ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of spray equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ON ANIMALS: To protect animals from **horn flies, house flies, mosquitoes, and gnats:** Apply a light mist sufficient to wet the tips of the hair.

To control **stable flies, horse flies, deer flies:** Apply 2 ounces per adult animal, sufficient to wet

1/2

the hair, but not to soak the hide. Repeat treatment once or twice daily or at intervals necessary to give continued protection.

To control **blood-sucking lice**: Apply the spray lightly to infested areas, using a stiff brush to get the spray to the base of the hair. Use 2 ounces or less per animal. Repeat every two or three weeks as required.

BARNs, MILD ROOMs, DAIRY PLANTs:

To control **flies, mosquitoes, and gnats**: Apply as a fog or fine mist, directing the spray toward the ceiling and upper corners of the room until the area is filled with mist, using about 2 ounces per 1000 cubic feet of space. For best results, close windows and doors before spraying and keep closed for 10 to 15 minutes. Vacate the area and ventilate before re-occupying. Repeat application as necessary.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a cool area away from heat or open flame.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
