AND BARN ANIMALS.**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CAP THREADING INSTRUCTIONS: Remove entire cap from container. Locate the first wipe in the center of roll. Thread wipe through center of cap. Place cap firmly back onto container. Pull wipe up to release.

FOIL POUCH INSTRUCTIONS (multiple towelette packages): Tear corner of outside pouch, exposing resealable inner pouch. Pull edges of inner pouch apart to expose towelette. Remove towelette from inner pouch, then reseal pouch immediately to preserve product quality.

FOIL POUCH INSTRUCTIONS (individual towelette packages): Tear corner of pouch. Remove towelette and dispose of pouch in trash.

ON ANIMALS: To protect animals from horn flies, house flies, mosquitoes, fleas, ticks, mites, deer ticks and gnats: First brush animal to remove excess dirt and dust. Apply a light coating sufficient to wet the tips of the hair. To control stable flies, horse flies and deer flies: Apply sufficient to wet the hair, but not to soak the hide. Recommended for use on face and around eyes and ears. Reapply every week to give continued protection.

To control lice: Apply wipe lightly to infested areas. Repeat every two or three weeks as required.

Wash hands thoroughly after application.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool dry place away from heat or open flame.

Container Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

Pesticide Disposal: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION

Harmful if swallowed. Wash thoroughly with soap and water after handling. Do not use on kittens or puppies under 12 weeks of age. Do not use on old, sick or debilitated animals. Consult a veterinarian before using this product on pregnant or nursing animals, or animals on medication. Do not apply to animal's genitalia or get in eyes. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by disposal of wastes.

FIRST AID

If swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

If in eyes: Flush with plenty of water. Get medical attention if irritation persists.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
