Memphis, TN 38118

Subject: Amendment - Revised First Aid and Disposal Statements
Speer Py-Perm Total Release Indoor Fogger
EPA Registration No. 11715-264
Your Submission Dated April 22, 2003

Dear Mr. Washburn:

The amendment referred to above, submitted in connection with registration under section 3 (c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable, subject to the comments listed below.

1. Under the "Precautionary Statements" section, move the statements "Do not use...or bottling" to the "Directions for Use" section of your label.
2. Either delete the phrase "or when necessary" from the statement "Repeat spraying in two weeks or when necessary" or indicate a time period for retreatment based upon the residual efficacy of your product.
3. Revise "Not for Use in USDA Meat and Poultry Plants" to "Not for Use in Federally Inspected Meat and Poultry Plants."

A stamped copy of the label is enclosed for your records. If you have any questions, please call Dr. William Sproat of my team at 703-308-8587.

Sincerely,

George T. LaRocca
Product Manager 13

EPA REG. NO. 11715-264

EPA EST. NO. 11715-TN-1

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS CAUTION

Harmful if absorbed through skin or inhaled. Avoid contact with skin or clothing and avoid breathing dust or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before re-use.

Do not use in food/feed areas of food handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where foods may be prepared or held.

Nonfood/nonfeed areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

FIRST AID	
IF ON SKIN OF CLOTHING:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
IF INHALED:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.

ACCEPTED
with COMMENTS
in EPA Letter Dated

AUG 14 2003

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

11715-264

IF SWALLOWED:	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give any liquid to the person. • Do not give anything by mouth to an unconscious person.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.	
NOTE TO PHYSICIAN	
Contains petroleum distillate- vomiting may cause aspiration pneumonia.	

PHYSICAL OR CHEMICAL HAZARDS

Highly Flammable Ingredient
 Ingrediente Altamente Inflamable

Flammable. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions For Use" on this label very carefully. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Do not place on stove or radiator. Exposure to temperatures above 130° F may cause bursting.

IMPORTANT! To avoid **FLAMMABILITY HAZARD**, use can as follows:

- ‡Do not use more than one fogger per room.
- ‡Do not place in cabinet or under counter or table.
- ‡Shut off electrical equipment and turn off pilot lights.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets

or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms. **Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.)** Call your gas utility or management company if you need assistance with your pilot lights.

One 6 ounce aerosol can treats up to 6,000 cubic feet of unobstructed area (a room 30' x 25' with an 8 foot ceiling).

HOW TO USE:

Step 1: PREPARATION

Open cupboards, cabinets, trunks, and doors to area to be treated to allow maximum kill in all areas where insects can hide and breed. Close outside doors and windows and shut off fans and air conditioning to maximize killing power of fog. Remove pets, birds, and tightly cover or remove fish bowls and aquariums before spraying. Cover waxed wooden floors and waxed furniture in the immediate area surrounding the fogger (newspapers may be used). Remove or cover exposed foods, dishes, utensils or food handling equipment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Shut off electrical appliances. Do not place activated fogger in a cabinet or under a counter or table.

Step 2: ACTIVATION OF FOGGER

SHAKE WELL JUST BEFORE USING. Place a section of newspaper on a level floor surface in center of room to be treated. **NOTE: Do NOT place fogger on water-stainable surface.** Tilt can opening away from face and depress tab firmly with thumb until it clicks in locked position. Aiming spray away from face, set fogger on newspaper, leave room and close door. After activation, leave room or house at once. Keep area closed for 2 hours (30 minutes for flying insects) before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area inaccessible to children and pets and away from heat, open flame or pilot light.

DISPOSAL: Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
