Date of Issuance:

13/5480650

275

0 5 SEP 1996

NOTICE OF PESTICIDE:

x Registration Reregistration

Conditional

(under FIFRA, as amended)

Name of Pesticide Product:

Term of Issuance:

Speer-It Fogger II Total Release Aerosol

Name and Address of Registrant (include ZIP Code):

Speer Products, Inc.

4242 B.F. Goodrich Blvd.

P.O. Box 18993

Memphis TN 38181-0993

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- 1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
 - Make the following label changes:
 - a. Revise the EPA Registration Number to read, EPA Reg No. 11715-275.
 - b. Revise the Hazards to Humans and Domestic Animals statements by deleting the following statements:

Contains petroleum distillates.

Do not induce vomiting because of aspiration pneumonia hazard.

In account of contact flush with plants of the contact of t

In case of contact, flush with plenty of water. Obtain medical attention if irritation persists.

These statements already appear in the ingredient statements and statement of practical treatment.
