Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
11715-278

Date of Issuance:
September 2, 1997

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Term of Issuance:
Conditional

Name of Pesticide Product:
SPEER NEOPERM TOTAL
RELEASE INDOOR FOGGER
IV

Name and Address of Registrant (include ZIP Code):

SPEER PRODUCTS
4242 B.F. Goodrich Blvd.
Post Office Box 18993
Memphis, TN 38181-0993

18/181 480699

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 11715-278."
- b. Add the following statement of practical treatment to the labeling:

STATEMENT OF PRACTICAL TREATMENT

"If On Skin: Wash with plenty of soap and water. Get medical attention if irritation persists."

Signature of Approving Official:

George T. LaRocca
George T. LaRocca, Product Manager (13)

Date:

September 2, 1997

- c. Delete USDA by revise the statement to read "Not for use in Federally Inspected Meat and Poultry Plants."
- d. Under step 1 and 2 delete "shut off electrical appliances", "Do not place can within 6 feet of pilot lights", "Do not place activated fogger in a cabinet or under a counter or table, and do not use this fogger in an area less than 100 cubic feet, and replace the bullets under "Important To Avoid Flammability Hazards" with the following statement:

"Do not use more than one fogger per room. Do not use in small, enclosed spaces such as closets, cabinets or under counters or table. Do not use in room 5 ft. x 5 ft. or small; instead, allow fog to enter from other rooms. Turn off all ignition sources such as pilot lights (shut off gas valve), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility management company if you need assistance."

3. Submit three (3) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

George T. LaRocca
Product Manager (13)
Insecticide-Rodenticide Branch

EPA EST. NO. 11715-TN-1

KEEP OUT OF REACH OF CHILDREN

CAUTION

See Side Panel For Additional Precautions

NET CONTENTS: _____

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Flush immediately with plenty of water. Get medical attention if irritation persists.

IF INHALED: Remove affected person to fresh air. Apply artificial respiration if indicated.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS & DOMESTIC ANIMALS

CAUTION

Avoid contact with skin, eyes or clothing. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

One 6 ounce aerosol can treats up to 6,000 cubic feet of unobstructed area (a room 30' x 25' with an 8 foot ceiling).

For Fleas and Ticks, use one 6 ounce can for every 6,000 cubic feet of room space.

Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms, but excluding areas where foods may be prepared or held. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use.

For use in non-food areas such as garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

Not for use in USDA meat and poultry plants.

HOW TO USE:

Step 1: PREPARATION

Open cupboards, cabinets, trunks, and doors to area to be treated to allow maximum kill in all areas where insects can hide and breed. Close outside doors and windows and shut off fans and air conditioning to maximize killing power of fog. Remove pets, birds, and tightly cover or remove fish

bowls and aquariums before spraying. Cover waxed wood floors and waxed furniture in the immediate area surrounding the fogger (newspapers may be used). Remove or cover exposed foods, dishes, utensils or food handling equipment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Shut off electrical appliances. Do not place activated fogger in a cabinet or under a counter or table. Do not use this fogger in an area less than 100 cubic feet.

Step 2: ACTIVATION

SHAKE WELL JUST BEFORE USING. Place a section of newspaper on floor in center of room to be treated. **NOTE:** Do not place fogger on water-stainable surface. Do not place can within 6 feet of pilot lights. Tilt can opening away from face and depress tab firmly with thumb until it clicks in locked position. Aiming spray away from face, set fogger on newspaper, leave room and close door. After activation, leave room or house at once. Keep area closed for 2 hours (30 minutes for flying insects) before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

IMPORTANT! To avoid **FLAMMABILITY HAZARD**, use can as follows:

- ‡ Only one can per room.
- ‡ Do not place in cabinet or under counter or table.
- ‡ Shut off electrical equipment.
- ‡ Place can at least 6 feet from pilot lights.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Do not store near heat or open flame. Store in cool dry area away from children.

CONTAINER DISPOSAL: Replace cap, wrap container in several layers of newspaper and discard in trash. Do not incinerate or puncture. Can may be disposed of with other recyclables where local law permits.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions **AGREED** herewith. with **COMMENTS** in EPA Letter Dated
