Memphis, TN 38118

Subject: Amendment - Revised First Aid Statements
Speer Cyfluthrin Multi-Purpose House & Garden Insect Killer
EPA Registration No. 11715-302
Your Submission Dated April 24, 2003

Dear Mr. Washburn:

The amendment referred to above, submitted in connection with registration under section 3 (c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable, subject to the comments listed below.

1. Under the "Directions for Use" section, add the following statement: "Do not allow children and pets to enter until surfaces are dry."
2. Either delete the phrases "Repeat as necessary" and "Repeat application as long as insects are present" or indicate a time period for retreatment based upon the residual efficacy of your product.
3. Delete the phrase "Pleasant scent." This is a subjective statement based on the sensitivity of the user.

A stamped copy of the label is enclosed for your records. If you have any questions, please call Dr. William Sproat of my team at 703-308-8587.

Sincerely

A handwritten signature in black ink, appearing to read "G. LaRocca".

ACCEPTED
with COMMENTS
in EPA Letter Dated

SEP - 3 2003

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

11715-302

IF INHALED:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
HOT LINE NUMBER Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.	
NOTE TO PHYSICIAN Contains petroleum distillate- vomiting may cause aspiration pneumonia.	

PHYSICAL AND CHEMICAL HAZARDS

Flammable. Do not use or store near heat sources, sparks or open flame. Do not use in the vicinity of pilot lights. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. Hold container upright while spraying. Spray away from self and other persons.

REMOVE pets and tightly cover fish bowls and aquariums in areas being sprayed. BEFORE USING near appliances with pilot lights, be sure to extinguish pilot lights. TURN OFF electrical equipment in area being treated. DO NOT smoke while using.

TO KILL HOUSEHOLD INSECTS: HOUSEFLIES, MOSQUITOES, SMALL FLYING MOTHS, GNATS, AND OTHER FLYING INSECTS: Close doors and windows in area to be sprayed. Point nozzle upward. Direct spray to all parts of area to be treated, especially light sources such as windows. Spray for 5 - 10 seconds for each 1000 cubic feet. Keep room closed for 1 hour

2/3

after spraying. Ventilate area before reoccupying.

TO KILL WASPS, MUD DAUBERS, PAPER NEST

WASPS: Spray into nests and hiding places at dusk when these insects are at rest. Repeat as necessary.

TO KILL ROACHES, WATERBUGS, SPIDERS,

CRICKETS, CARPET BEETLES AND OTHER

CRAWLING INSECTS. USE AS A SPOT SPRAY

ONLY. Hold sprayer about 12 inches from the surface

being sprayed. Spray thoroughly into hiding areas such

as cracks, crevices, baseboards, damp areas and other

places where insects may hide. Spray directly on

insects if possible.

TO KILL ANTS: Spray around door and window

frames. Thoroughly treat trails, run, walks and other

places where insects may be seen.

KILLS INSECTS ON ORNAMENTAL PLANTS.

TO KILL APHIDS, LEAF HOPPERS, LACE BUGS,

SPIDER MITES, FALL ARMYWORMS,

CUTWORMS, WHITE FLIES, CHINCH BUGS, TENT

CATERPILLARS, GYPSY MOTHS, BAGWORMS

AND OTHER ORNAMENTAL PLANT INSECTS:

Spray ornamental plants when air is still, the dew is

gone and the temperature is not above 90°F. Use with

caution on young plants, new growth and tender foliage.

Spray with a slow sweeping motion. Avoid wetting.

Spray about 36 inches from plants. Repeat application

as long as insects are present.

When used as directed, safe for use on: Houseplants

such as Begonias, Ferns, Schefflera, African Violets,

Geraniums, Spider plants, Wandering Jew, English Ivy,

Dracaena, Swedish Ivy, Poinsettia.

Also safe for Outdoor Ornamental plants such as Roses,

Privet, Zinnias, Marigolds, Honeysuckle, Verbena,

Daisies, Phlox, Mock Orange, magnolia, Carnations,

Evergreens, Gladiolus, Salvia, Chrysanthemums,

Fuchsia, Petunias, Lilacs, Wisteria, Lilies, Veronica,

Forsythia, Calendula, Birch, Ageratum.

DO NOT USE ON: Jade Plants, Cone Flowers, Aster,

Ruebella or Shasta Daisies.

STORAGE AND DISPOSAL

DISPOSAL: Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

Notice: Buyer assumes all responsibility for safety and use not in accordance with directions.
