	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 "M" St., S.W. Washington, D.C. 20460	EPA Reg. Number: 11715-305	Date of Issuance: 14 SEP 1995
	NOTICE OF PESTICIDE: <u> X </u> Registration <u> </u> Reregistration (under FIFRA, as amended)	Term of Issuance: Unconditional	
		Name of Pesticide Product: Speer Cyfluthrin Flying Insect Killer	
Name and Address of Registrant (include ZIP Code): Speer Products 4242 B. F. Goodrich Blvd. Memphis, TN 38181-0993			
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3) (c) (2)(B).</p> <p>1. Make the labeling changes listed below before you release the product for shipment:</p> <p style="margin-left: 40px;">a. Add the phrase "EPA Registration No. 11715-305"</p> <p style="margin-left: 40px;">b. Under STATEMENT OF PRACTICAL TREATMENT add "IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists."</p>

EPA Reg. No. 11715-305

c. Under STATEMENT OF PRACTICAL TREATMENT after "Do not induce vomiting." add "Note to Physician:" before "Induce Vomiting as a first aid...".

d. Since the product is limited to household use only you may delete the prohibition "Do not use in food processing ... etc.. Do not use in serving ... food is exposed.".

3. Submit three (3) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

STATEMENTS OF PRACTICAL TREATMENT

IF ON SKIN: Wash with plenty of soap and warm water. Get medical attention if irritation persists.

IF SWALLOWED: Call a physician or Poison Control Center. Do not induce vomiting. Inducing vomiting as a first aid for this product may result in increased risk of chemical pneumonia or pulmonary edema caused by aspiration of the hydrocarbon solvent. Vomiting should be induced only under professional supervision.
