

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

11715-315

JAN 24 2002

Term of Issuance: **Conditional**
Registration until March 1, 2004

Name of Pesticide Product:
Flying Insect Killer II

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Speer Products, Inc.
4242 B.F. Goodrich Blvd.
Memphis, TN 38118

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(C) since you agreed in your letter dated December 27, 2001 that:

1. You will submit/cite all data required for registration/reregistration of your product under FIFRA section 3 (c)(5) or 4(a) when the Agency requires all registrants of similar products to submit such data.
2. You will submit the listed data below, conducted in accordance with the 40 CFR Part 158 test guidelines referred to below:

<u>Title of Study</u>	<u>Guideline Reference Number</u>	<u>Date Due</u>
Product Performance Data for German and American cockroaches, fleas, ticks, yellow jackets, hornets, wasps, stable flies, houseflies, and mosquitoes	810.3500 810.3400	September 1, 2002

You will submit protocols prior to conducting the above studies for Agency review and approval.

Signature of Approving Official:

Date:

JAN 24 2002

- 3. Move the statement "Repeat treatments to infested areas as necessary at intervals of 14 days or greater. Do not make more than six application per site per year." to the beginning of the "Directions for Use" section.
- 4. Replace the word "destroyed" with "killed".
- 5. Submit three (3) copies of your final printed labeling before releasing the product for shipment.
- 6. The basic Confidential Statement of Formula (CSF) dated December 24, 2001 is acceptable.

You should note that if you fail to satisfy any of the conditions imposed on this registration, e.g., you fail to submit the required data by the specified deadlines or the data submitted were not generated in accordance with applicable test guidelines, EPA may issue notice to cancel this use under FIFRA 6(e).

You should also note that, regardless of whether you satisfy all applicable conditions, this conditional registration will expire automatically on March 1, 2004. Sale and distribution of the subject product bearing labeling for residential sites, commercial and industrial establishments and institutions after March 1, 2004 will be illegal.

Finally, once the required data have been submitted and evaluated, EPA will entertain an application to amend the registration of the subject product to allow unconditional use in residential sites, commercial and industrial establishment and institutions.

A stamped copy of your product label is attached.

Sincerely,

George LaRocca
 - Product Manager 13

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling. If clothing becomes contaminated, remove and launder before use.

FIRST AID	
If in eyes:	<ul style="list-style-type: none"> •Hold eye open and rinse slowly and gently with water for 15-20 minutes. •Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. •Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use this product in or on electrical equipment due to the possibility of shock hazard.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THE ENTIRE LABEL PRIOR TO USE. USE STRICTLY IN ACCORDANCE WITH ALL LABEL PRECAUTIONS AND DIRECTIONS.

Shake well before using. Hold container upright while spraying. Spray away from self and other persons.

Note: Do not apply to classrooms when in use. Do not use in aircraft cabins. Do not apply to patient rooms in hospitals and nursing homes while occupied. For use in the non-food and non-feed areas of food and feed handling establishments. Non-food and non-feed areas of food and feed establishments are areas such as garbage rooms, lavatories, floor drains (to sewer entries and vestibules), offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning and bottling). Remove food from food serving areas of commercial establishments prior to treatment. Wash all exposed food serving/handling surfaces thoroughly with potable water following treatment and before use. Do not use in food or feed areas of food or feed handling establishments, restaurants or other areas where food or feed is commercially prepared or processed. Do not use in serving areas while food is exposed or the facility is in operation. Serving areas are areas where prepared foods are served, such as dining rooms but excluding areas where foods may be prepared or held. In homes, remove all food and cooking utensils. Cover all food handling surfaces and wash thoroughly after treatment and before use. Repeated exposure to etofenprox can cause skin irritation.

TO KILL HOUSEHOLD INSECTS: TO KILL HOUSEFLIES, STABLEFLIES, MOSQUITES, SMALL FLYING MOTHS, GNATS, WASPS, HORNETS AND OTHER FLYING INSECTS. Close doors and windows in area to be sprayed. Point nozzle upward. Direct spray to all parts of area to be treated, especially light sources such as windows. Spray for 5 - 10 seconds for each 1000 cubic feet. Keep room closed for one hour after spraying. Do not remain in treated area. Ventilate before reoccupying.

TO KILL ROACHES, CRICKETS, ANTS, SOWBUGS, SPIDERS AND OTHER CRAWLING INSECTS. USE AS A SPOT SPRAY ONLY. Hit as many insects as possible with the spray. To kill ants, spray around door and window frames. Thoroughly treat trails, runs, walks and other places where insects may be seen.

ALSO KILLS: CONFUSED FLOUR BEETLES, RICE WEEVILS AND OTHER PACKAGE PESTS. Locate and discard infested packages. Remove all other items from shelves to be treated. Spray shelves to destroy insects. After insects are destroyed, clean shelves, replace paper and return items.

TO KILL TICKS AND FLEAS. DO NOT TREAT ANIMALS WITH THIS PRODUCT. Remove and destroy old pet bedding. Spray sleeping quarters of pets. Do not allow pets to use treated areas until spray has dried. Replace bedding with clean or new material. Treat pets with a product registered for animal application to control the source of flea and tick infestation.

Repeat treatments to infested areas as necessary at intervals of 14 days or greater. Do not make more than six applications per site per year.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Do not store near heat or open flame. Store in cool dry area away from children.

DISPOSAL: Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
