Subject: Amendment - Updating label per PR Notice 2001-1 and PR Notice 2001-6
Speer 3.5% Permethrin Dry Fogger with Nylar
EPA Reg. No. 11715-329
Your Submission Dated May 5, 2003

Dear Mr. Washburn:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Revise front of the label-- replace "Inert Ingredients" with the phrase "Other Ingredients".
2. Delete "New" from the label.
3. Since the product contains less than 10% petroleum distillates you may replace "Do not give any liquid to the person" with "Have person sip a glass of water if able to swallow" in the If swallowed, first aid statement.
4. Delete "In case of contact xxx etc. Obtain medical attention if irritation persists", from the Precautionary Statements. This statement appears under the If in eyes first aid.

If you have any questions regarding this action, please contact BeWanda Alexander of my team at (703) 305-7460.

Sincerely,

A handwritten signature in cursive script that reads "BeWanda Alexander for". The signature is written in black ink and is positioned above the typed name of the signatory.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND

DOMESTIC ANIMALS

CAUTION

USE ONLY WHEN AREA TO BE TREATED IS
VACATED BY HUMANS AND PETS.

Harmful if inhaled, swallowed, or absorbed through the skin. Avoid breathing vapors or spray mist. May cause eye irritation. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after using. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Prolonged or frequent repeated skin contact may cause allergic reactions in some individuals. Remove pets and birds and cover fish aquariums before spraying. Remove all motor vehicles before using in garages.

FIRST AID

IF INHALED:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

IF SWALLOWED:

- Immediately call a poison control center or doctor.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

IF IN SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.

PHYSICAL OR CHEMICAL HAZARDS

Highly Flammable Ingredient
Ingrediente Altamente Inflamable

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Never throw container into fire or incinerator. Newspapers should be spread on the floor for several feet around area of release.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller, instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

Do not use in the food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where foods may be prepared or held. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed. Non-food areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries, and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning

or bottling).

Not for use in USDA meat and poultry plants.

This product will kill cockroaches, waterbugs, palmetto bugs, scorpions, millipedes, centipedes, sowbugs, pillbugs, ants, silverfish, firebrats, spiders, crickets, clover mites, cheese mites, granary weevils, confused flour beetles, rust red flour beetles, drugstore beetles, meal worms, grain mites, cadelles, carpet beetles, bedbugs, fleas (adults and larvae), ticks, clothes moths, house flies, fruit flies, gnats, mosquitoes, skipper flies, wasps, hornets, bees, and black flies.

Close doors and windows. Open cabinets and doors within the treatment area. Shut off fans and air conditioners. Shut off electrical equipment. Fogger should be placed on floor in the middle of the room. Place newspapers under the container to prevent marring surfaces. Use one container for each []* cubic feet of area (approximately []*).

To start fogging, press down actuator tab to lock in position. Keep at arm's length when releasing. Point top of can away from face and eyes. Set in upright position and leave the building at once. Leave undisturbed for 2 hours. Open doors and windows and allow to air for 1 hour.

*NOTE:

Fill in [] as required for various label sizes:

2 oz. size	2,000 cubic feet
	12'x21'x8'
4 oz. size	4,000 cubic feet
	20'x25'x8'
6 oz. size	6,000 cubic feet
	30'x25'x8'
10 oz. size	10,000 cubic feet
	50'x25'x8'

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area away from heat or open flame.

DISPOSAL: Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
