Phoenix, AZ 85014

Dear Ms. Purcell:

SUBJECT: Label Amendment
Killer Kane Kartridges
EPA Registration No. 11715-340 ✓
Your Application Dated: June 18, 2003

The label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended is acceptable with comment, provided that you make the following change to the Environmental Hazard statement:

“ Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water “when” disposing of equipment washwater or rinsate.”

The amended label supersede all previously accepted ones. A stamped copy is enclosed for your records. Please submit one copy of your label before you release the product for shipment.

Sincerely yours,

151

Joanne I. Miller

10 KILLER KANE® KARTRIDGES
Easy and Effective

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
11715-340

DIRECTIONS FOR USE

Apply to actively growing dandelions, plantain, chickweed, clover and other susceptible broadleaf weeds in HOME LAWNS. Do not use during or just before rain.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Remove cap and drop one KARTRIDGE into KANE.
2. Fill KANE with water.
3. Replace cap on KANE and mix gently until KARTRIDGE dissolves.
4. Adjust nozzle for proper spray size.
5. Put KANE tip on weed, push down and release quickly, wetting weed thoroughly.
6. Complete kill of broadleaf weeds in 1 to 2 weeks.
7. Rinse KANE out after using.

Note: Application to bent grass, St. Augustine, carpet grass, dichondra, or clover may cause injury. May damage grass seedlings.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Avoid inhalation or contact with skin, eyes or clothing. When handling this product, wear chemical resistant gloves.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Drift or runoff may adversely affect non-target plants.

STORAGE AND DISPOSAL

STORAGE: Store in dry place. Do not store near fertilizers, seeds, insecticides, or fungicides.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or call 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
