Manufactured For:
FARNAM COMPANIES, INC.
Phoenix, AZ 85013

PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed or inhaled. Avoid breathing dust or spray mist. Avoid contact with skin, eyes, mucous membranes and clothing. Wash thoroughly after handling.

NOTE TO USER: Consumption of alcoholic beverages increases the toxic effect of thiram.

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none"> • Call a physician or Poison Control Center or doctor immediately for treatment advice. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
IF INHALED:	<ul style="list-style-type: none"> • Move victim to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
IF IN EYES:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for treatment advice.
In case of medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers or for product use information, call 602-285-1660.	
Have product container or label with you when calling a poison control center or doctor, or going for treatment.	

ENVIRONMENTAL HAZARDS

This pesticide product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Drift or runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not apply directly to water or wetlands.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: This product may be applied to ornamental bushes and ornamental trees to protect them from damage by rabbits [indicate Genera or species], deer (Odocoileus spp.) and voles (Microtus spp.). Do not apply this product to vegetables or any other type of plant grown for human food or animal feed. [Prohibit applications to any types of plants on which product is known to produce phytotoxic effects.]

APPLICATION DIRECTIONS: Use this product at full strength. DO NOT DILUTE this product. SHAKE CONTAINER WELL before using this product. Apply product under conditions (low humidity, no rain, etc.) which favor rapid drying.

SPRAY APPLICATIONS: Treat all surfaces to be protected with a coarse sprayer (such as a tank sprayer). Thoroughly spray all leaves, bark, and twigs susceptible to damage from rabbits, deer, and meadow voles. For best results in protecting new growth, it may be necessary to apply this product every 2-5 days. To protect dormant trees following leaf fall, spray twigs and trunk to the height of 5 feet. Apply product under conditions of no precipitation and low humidity to allow the repellent film to set up properly. After use, rinse sprayer thoroughly with water to prevent clogging.

BRUSH APPLICATION: Using a small clean paint brush apply a thin coating of product to leaves, bark and twigs susceptible to damage by rabbits, deer, and voles. Applications every 2-5 days may be needed to protect new growth. Rinse brush promptly and thoroughly after use.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry place inaccessible to children and pets. **DISPOSAL:** If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or call 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
