<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.</p>	

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR CONTROL OF CLOTHES MOTHS

Use Restrictions: For control of eggs, larvae, and adult clothes moths in containers, garment bags, and storage closets designed to be airtight. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this Naphthalene-containing product with any other moth control chemical. For use only on cloth containing wool or wool blends.

Application Directions: Before storing, dry clean, wash or brush articles to be protected. Store only in a clean, airtight container (e.g., trunk, chest), garment bag, or storage closet. Apply at the following rates:

Pounds of Product	Area of Tightly Enclosed Space
$\frac{1}{4}$	Average Garment Bag
1/3	Large Trunk
1	50 cu. Ft.
2	100 cu. Ft. (Normal Closet)

Keep product in container, bag, or closet for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish containers, bags, and closets two times a year.

FOR CONTROL OF TREE SQUIRRELS, BATS, STARLINGS, PIGEONS, AND HOUSE SPARROWS

Use Restrictions: To repel tree squirrels, bats, starlings, pigeons, and house sparrows from attics and wall voids.

Application Directions: Spread flakes on floor or apply between walls, using about one pound for every 400 cubic feet. Tree squirrels, bats, and birds will depart from treated space within a short time, after which all openings through which they gain entrance, such as small crevices around eaves, bases of rafters, around dormers, should be closed by means of strips of wood, metal or by the use of oakum.

STORAGE AND DISPOSAL

STORAGE: Store only in original container in a cool, dry place inaccessible to children and pets.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or call 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
