DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING

KILLS EVEN DIAZINON-RESISTANT ROACHES — For use indoors or outdoors. Application: Spray infested surfaces only until wet. For use as a spot treatment only; do not use as a space spray. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS, EARWIGS: Spray until wet, surfaces behind and beneath cabinets, refrigerator, stoves, ant trails and other localized areas infested with insects. For treatment of ground window frames and door frames where ants enter. Repeat as necessary.

BROWN DOG TICKS AND FLEAS: Spray treated areas around baseboards, window and door frames, wall cracks, sleeping quarters of pets and localized areas of floors and floor coverings. Repeat as necessary. Bedding should be replaced in animal quarters. Do not treat animals with this product.

ANTS, BROWN DOG TICKS AND FLEAS — OUTDOORS: For treatment of localized infestations of insects of outdoor areas spray infested areas including spraying of weeds and brushy non-cultivated areas. For ants, wet hills and runways. Repeat as necessary.

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

 18 / 1

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration is made in accordance with the provisions of the Federal Insecticide, Fungicide, and Rodenticide Act, section 3(c)(7)(A) provided that you:

1. Do not use or cause to be used any name, symbol, or device on the label of your product which is prohibited by section 3(c)(7)(B) of the Act, or which is similar to any name, symbol, or device which is prohibited by section 3(c)(7)(B) of the Act.
2. Place the label on the container in the manner listed on the label before you release the product to the public.
