**DIRECTIONS FOR USE**

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

**KILLS EVEN DIAZINON-RESISTANT ROACHES** — For use indoors or outdoors. Application: Spray infested surfaces only until wet. For use as a spot treatment only; do not use as a space spray. Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

**ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS, EARWIGS:** Spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, ant trails and other localized areas infested with insects. For treatment around window frames and door frames, where ants enter. Repeat as necessary.

**BROWN DOG TICKS AND FLEAS:** Spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of pets and localized areas of floors and floor coverings. Repeat as necessary. Bedding should be replaced in animal quarters after treatment. Do not treat animals with this product.

**ANTS, BROWN DOG TICKS, AND FLEAS — OUTDOORS:** For treatment of localized infestations of insects of outdoor areas spray infested areas, including spraying of weeds and brushy non-crop areas around the home. For ants, wet hills and runways. Repeat as necessary.

DEC 25 1982

Mr. Harry C. Davis  
Louisiana Chemical Company  
8993 Airline Highway  
Baton Rouge, LA 70815

Dear Mr. Davis:

Subject: Amendment - Update Label  
Davis Kill-A-Bug II  
EPA Registration No. 11746-4  
Your Application Dated August 23, 1982

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

The following revisions must be made prior to release for shipment:

- a. The correct registration number for this product is EPA Registration No. 11746-4. The last label submitted had an incorrect EPA Registration No. which must be corrected.
- b. Delete "and fleas" from the Indoor Brown Dog Ticks directions heading.
- c. Correct the spelling of "label" appearing as the last word in the Environmental Hazards text.

Sincerely yours,

George T. LaRocca  
Product Manager (15)  
Insecticide-Rodenticide Branch  
Registration Division (TS-767)
