This **DISINFECTANT** is effective against a wide variety of gram-positive and gram-negative bacteria and pathogenic fungi.

This **DISINFECTANT** is also an excellent deodorant. It is especially advantageous to control odors that are bacterial in origin.

This **DISINFECTANT** mixes readily with water and makes a clear, stable solution. In use dilution, it is non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile and most common metals. Has a pleasant lemon odor.
