

POOL-PAL Q-A-C CONCENTRATE

POOL PAL Q-A-C CONCENTRATE is used to control the growth of algae in swimming pools. For maximum effectiveness, pools containing heavy growth of algae should be cleaned prior to using POOL PAL Q-A-C CONCENTRATE.

DIRECTIONS

For pools having just visible algae growth add an initial dose of 11 to 17 fl. oz. of POOL PAL Q-A-C CONCENTRATE per 10,000 gal. of water and remove settled algae debris by cleaning.

For treatment of a freshly cleaned and filled pool, add initially 6 to 11 fl. oz. of POOL PAL Q-A-C CONCENTRATE per 10,000 gal. of water.

To maintain pools free of visible algae growth, subsequent additions of 2 to 4 fl. oz. of POOL PAL Q-A-C CONCENTRATE per 10,000 gal. of water should be made every 5 to 7 days after the initial treatment.

Uniform distribution of POOL PAL Q-A-C CONCENTRATE throughout the water in the pool is necessary for maximum effectiveness.

POOL PAL Q-A-C CONCENTRATE is compatible with those chemicals normally used to treat pools and is effective at both acid and alkaline pH. POOL PAL Q-A-C CONCENTRATE can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix POOL PAL Q-A-C CONCENTRATE with concentrated dry or liquid chlorine products.

HOW TO ESTIMATE GALLON CAPACITY OF YOUR POOL

Measure Length (L), Width (W) and average Depth (D) in feet.

For Square or Rectangular Pools.

$L \times W \times D \times 7.5$ Gallons

For Circular or Elliptical Pools

$L \times W \times D \times 5.9$ Gallons

NET CONTENTS 1 QT. (32 FL. OZ.)

ALGAECIDE

ACTIVE INGREDIENT

Poly (oxyethylene(dimethyliminio)ethylene-(dimethyliminio)ethylene dichloride) 60%

INERT INGREDIENT 40%

CAUTION

KEEP OUT OF REACH OF CHILDREN
See additional cautions on side panel.

POOL-PAL Q-A-C CONCENTRATE

E.P.A. REGISTRATION NO. 12014-7

E.P.A. EST. REGISTRATION NO. 12014-WI-1

CAUTION

Harmful if swallowed. Do not get in eyes. Avoid contact with skin. In case of contact flush with plenty of water for at least 15 minutes. If eye irritation persists get medical attention. Avoid contamination of food.

Rinse empty container thoroughly with water and discard container. Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place away from water supplies. This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Apply this product only as specified on this label.

NOTICE

Neither the manufacturer, nor the seller makes any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to label instructions.
