ALGAECIDE

ACTIVE INGREDIENT
 Poly (oxyethylene (dimethyliminio) ethylene-(dimethyliminio) ethylene dichloride.....40%
INERT INGREDIENT.....60%
TOTAL 100%

KEEP OUT OF REACH OF CHILDREN
CAUTION
 See side panel for additional precautionary statements.

NET CONTENTS 1 QUART (32 fl. oz.)

This product is used to control the growth of algae in swimming pools. For maximum effectiveness, pools containing heavy growth of algae should be cleaned prior to using this product.

DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For pools having just visible algae growth add an initial dose of 18 to 27 fluid ounces of this product per 10,000 gallons of water and remove settled algae debris by cleaning.

For treatment of a freshly cleaned and filled pool, add initially 10 to 18 fluid ounces of this product per 10,000 gallons of water.

To maintain pools free of visible algae growth, subsequent additions of 3.5 to 7 fluid ounces of this product per 10,000 gallons of water should be made every 5 to 7 days after the initial treatment.

Uniform distribution of this product throughout the water in the pool is necessary for maximum effectiveness.

This product is compatible with those chemicals normally used to treat pools and is effective at both acid and alkaline pH. This product can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix this product with concentrated dry or liquid chlorine products.

KEEP OUT OF THE REACH OF CHILDREN
CAUTION

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes or clothing.

STATEMENT OF PRACTICAL TREATMENT
IF SWALLOWED: Rinse mouth with copious amounts of water, then drink promptly a large quantity of water. **DO NOT INDUCE VOMITING.** Avoid alcohol. Get medical attention. **IF IN EYES:** Flush with plenty of water for 15 minutes. Get medical attention. **IF ON SKIN:** Wash with plenty

of soap and water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food or feed by storage or disposal. Keep container closed when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mop up spills with clear water. All pesticides should be kept out of the reach of children and stored away from food.

DISPOSAL: Do not reuse empty container. Wrap container and place in trash.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Keep out of lakes, streams or ponds. Permits may be required for discharges containing this pesticide into lakes, streams, ponds or public water. For guidance, contact the regional office of the Environmental Protection Agency.

NOTICE

Neither the manufacturer, nor the seller makes any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to label instructions.

HOW TO ESTIMATE GALLON CAPACITY OF YOUR POOL

Measure Length (L), Width (W) and average Depth (D) in feet.

For square or Rectangular Pools:
 $L \times W \times D \times 7.5 = \text{Gallons}$

For Circular or Elliptical Pools:
 $L \times W \times D \times 5.9 = \text{Gallons}$
