

US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS 767) WASHINGTON, DC 20460	EPA REGISTRATION NO. 10044-107	DATE OF ISSUANCE <b>APR 20 1989</b>
	TERM OF ISSUANCE	
NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREГИSTRATION <i>(Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended)</i>		
NAME OF PESTICIDE PRODUCT ... AQUASTIL ALCOHOL ...		

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

...  
 ...  
 ...

**NOTE** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

- ... conditionally registered in accordance with FIFRA section 2(c)(7)(A) provided that you:
1. Submit to the Administrator a registration/reregistration application for the product in accordance with the requirements of the Act and the Administrator's regulations.
  2. Affix the label "EPA Registration No. 10044-107" to your label before you release the product for shipment.
  3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

This liquid is corrosive to the eye and direct contact may cause irreversible damage. Inhalation of mist or vapor will cause severe irritation of lungs, throat and nose that usually subsides after exposure ceases.

## CHEMICAL HAZARDS

This product initiates combustion of other materials by causing fire through release of oxygen.

### NOTICE

Neither A&V, Incorporated nor the seller makes any warranty, guarantee or representation, expressed or implied, concerning this material except that it conforms to the chemical description on the label. Neither shall be held responsible in any manner for any personal injury or property damage or loss resulting from the handling, storage and use of this material not in strict accordance with directions given herewith.

### DISPOSAL AND STORAGE

Disposal: Dilute with a large volume of water and hold in a pond or diked area until the Hydrogen Peroxide decomposes. Discharge the residual liquid into a suitable treatment system in accordance with all local, and federal regulations. Contact the appropriate regulatory agency.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

### STORAGE

Avoid excessive heat. Avoid contamination of any kind. Storage should conform to conditions described in NFPA Bulletin 43A (Code for storage of liquid and solid oxidation materials NFPA Hazard Class II Oxidizer.)

KEEP OUT OF REACH OF CHILDREN  
CAUSES SKIN IRRITATION  
DO NOT GET IN EYES  
AVOID CONTACT WITH SKIN AND CLOTHES  
HARMFUL IF SWALLOWED

### DANGER
