

NOT INTENDED FOR VETERINARY USE

SHAKE WELL BEFORE USING

**DIRECTIONS FOR BODY LICE AND EGGS
(Pediculus Corporis)**

Apply to body while dry. Massage for three minutes slowly adding water until full lather is obtained. Underwear and clothing in contact with the body should be boiled and replaced with clean clothing.

This application should be repeated in five to seven days. Shampoo is cloudy when cold and clear when warm. Leaves hair soft and lustrous.

WARNING

Do not use near eyes or on mucous membranes, broken, raw, or infected skin, or where there is chronic dermatitis.

**FOR F
OCT 11 973
ONLY**

EPA Reg. No. 12015-13-20006
