To Clean and Disinfect Walk-In Coolers

PHENZ is a heavy duty cleaner and disinfectant designed for general purpose use where heavy duty cleaning and sanitizing is of prime importance. When used as directed, PHENZ will remove most dirt and grime in a single, simple application. Use PHENZ on walls, floors, table tops, in industrial plants, offices, motels, schools, and homes. PHENZ is non-corrosive in use dilutions on inanimate hard surfaces. Not recommended for *Pseudomonas aeruginosa*.

This product is not to be used as a terminal sterilant/high-level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.

USE DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
General Cleaning - for light duty cleaning and deodorizing, use 2 oz. per gallon of water.
For extra heavy industrial cleaning, use a second application.
Disinfection - For heavy duty cleaning and disinfecting and fungicidal activity against pathogenic fungi, use 4.5 oz. per gallon of water.
For best results, use PHENZ with a cloth or mop and apply to walls, floors, table tops, and counters.
Do not mix with soap or anionic solutions.

STORAGE AND DISPOSAL

- Do not contaminate water, food, or feed by storage or disposal.
- Open dumping is prohibited.
- Do not reuse empty container.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

GENERAL

Consult Federal, State, or local disposal authorities for approved alternative procedures such as limited open burning.
