

BIG GUN II

Big Grin II is a Heavy-Duty Industrial Strength Cleaner introducted to provide maximum cleaning efficiency as it disinfects. It is especially designed for schools, institutions, and industry. A single application removes dirt and grime, disinfects, and is virucidal. When used as directed, the hard surface disinfecting action of Big Gun II will reduce the hazard of cross-infection.

When used as directed, Big Gun II will deodorize toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.
