DIRECTIONS FOR USE

[illegible]

INDOORS:

[illegible] ANTS, BEES, CARPET BEETLES, COCKROACH, CRICKETS, GNATS, HORNETS, HOUSE FLIES, MOSQUITOES, MOTHS, SILVERFISH, WASPS, YELLOWJACKETS.

SPACE SPRAY

Do not use in edible areas of commercial food processing, storage, preparation or serving establishments. All food processing surfaces & utensils should be covered during treatment, or thoroughly washed before use. Cover exposed food. Remove pets, birds and cover fish aquariums before spraying. Do not use in rooms where people are sleeping.

Spray directly on pests where possible. Thoroughly spray into all places where pests hide, seek or congregate. For **ANTS** spray on trails and points of entry such as around door frames, window sills, openings around pipes and door jambs. For **BEES, HORNETS, WASPS,** and **YELLOWJACKETS** aim at nests, preferably at night after pests have returned. For **CRAWLING INSECTS,** spray into cracks and crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards and storage areas.
