

- e. Delete all sanitization claims on the label.
- f. The statement "Keep Out of Reach of Children" must appear directly above the signal word "Warning" in the center panel.
- g. On the right panel above the word Warning place the following headings:

Precautionary Statements  
Hazard to Humans and Domestic Animals

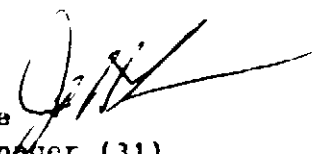

- h. Include the heading "Storage and Disposal" and add the subheadings, Pesticide Disposal and Container Disposal. Refer to the PR Notice 83-3 for acceptable Storage and Disposal statements.
  - i. Include the 10-minute contact time for the Disinfection section.
  - j. Change "cross-infection" to read "cross-contamination" (two locations, right panel).
  - k. Delete the word "milk."
2. Submit five copies (5) of your final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 557-3675.

Sincerely yours,

  
 John H. Lee

## LEM-O-CHEM

### USE DIRECTIONS:

#### Disinfection

Use at 2 ounces per gallon. This product will be effective against *Pseudomonas aeruginosa* PKD-10 at this level. This has been substantiated by the AOAC Use Dilution Confirmation Test. At this level, the product is fungicidal against pathogenic fungi.

For best results, use LEM-O-CHEM with a cloth or mop and apply to walls, floors and other hard surfaces.

For heavy soil or organic matter, a pre-cleaning step is recommended.

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 12050-5

CLEANER

DEODORIZER

DISINFECTANT

FUNGICIDE

Designed for Hospital and Industrial use
