PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: KEEP OUT OF REACH OF CHILDREN. Corrosive. Causes eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Avoid contamination of food.

PRACTICAL TREATMENT: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, promptly drink a large quantity of milk, egg whites, gelatin solution or, if these are not available, large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN:

Probable mucosal damage may contra-indicate the use of gastric lavage.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other water unless in accordance with the requirements of a National Pollutants Discharge Elimination Systems (NYDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing product to sewage systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of EPA.

PESTICIDE DISPOSAL: Pesticide, spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticide.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers. After rinsing the 1 gallon container, put in trash collection.

GENERAL: Consult Federal, State or Local disposal authorities for approved alternative procedures such as limited open burning. If burned, stay away from smoke.

SANI-FLUFF

FABRIC SOFTENER AND SELF SANITIZER WITH RESIDUAL BACTERIOSTATIC ACTIVITY

ACTIVE INGREDIENTS:

n-Alkyl (60% C ₁₂ , 30% C ₁₄ , 5% C ₁₆ , 5% C ₁₈) dimethyl benzyl ammonium chloride	6.00%
n-Alkyl (68% C ₁₂ , 32% C ₁₄) dimethyl ethylbenzyl ammonium chloride	6.00%
INERT INGREDIENTS	88.00%
	100.00%

EPA Registration No. 12192-2 EPA Est. #008616-NJ-001

KEEP OUT OF REACH OF CHILDREN

DANGER: See side panel for additional precautionary statements.

FOR INDUSTRIAL USE ONLY

sanolite 

Corporation
ELIZABETH, NJ 07207-0818
(908) 353-8500 (800) 221-0806

SANI-FLUFF softens fabrics, eliminates chafing, removes "static cling", speeds ironing.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Fabric treated as directed will develop residual bacteriostatic and self-sanitizing activity against odor-causing gram positive and gram negative micro-organisms, under conditions of high relative humidity or wet contamination. SANI-FLUFF inhibits the growth of odor causing organisms on diapers, sheets and other articles of bedding and clothing of incontinent persons.

SANI-FLUFF is designed for use in commercial laundry operations. Use 3 ounces of product per 100 pounds of dry laundry by adding to the final rinse cycle at the low water level (90 ppm). Run for at least 5 minutes for maximum effectiveness. Do not add to the wash cycle where soap or anionic detergents may be present. Wash thoroughly with soap and water after handling.

DO NOT STORE OR USE NEAR HEAT OR OPEN FLAME. KEEP FROM FREEZING.
