DIRECTIONS FOR USE IN SWIMMING POOLS:

General Classification

For a variation of Federal use to use this product in a manner inconsistent with its labeling.

Initial Dose: Add 6.4 oz. 50% MR. HOLIDAY Swimming Pool Algaecide to 10,000 gallons of pool water.

Maintenance Dose: Add 1.6 oz. 50% MR. HOLIDAY Swimming Pool Algaecide to 10,000 gallons of pool water.

Initial dose is used when filling pool at beginning of swimming season. If pool has visible algae growth, treat with initial dose. Vacuum pool after 24 hours to remove algae debris. If visible algae are still present, repeat the treatment procedure as necessary. After one week of visible algae, use the recommended maintenance dose.

Maintenance dose should be added at 3-5 day intervals. If high temperatures prevail or pool has unusually heavy use, add maintenance dose more frequently.

In case of water is added to the rate of more than 10% per week of pool capacity, add 6.4 oz. of 50% MR. HOLIDAY for each 10,000 gallons of fresh make-up water added per week.

After swimming season is over, add 6.4 oz. of 50% MR. HOLIDAY to 50,000 gallons of water in treating water left in pool. This dose helps provide a measure of control of algae growth during the winter months. This treatment will also help the surfacing of the pool before it is returned to use the following season.

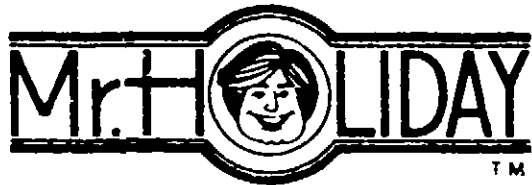

When 50% MR. HOLIDAY is used as directed, it will kill and prevent development of Chlorococcoid, green, Pseudomonas, mustard algae, Pseudomonas, red, Square O algae, Lyella vesicular, blue green, and other swimming pool algae. 50% MR. HOLIDAY is compatible with most commonly used swimming pool chemicals, but should not be mixed with heavy metal waste treating chemicals. 50% MR. HOLIDAY works best when added to pool directly to pool water. 50% MR. HOLIDAY is not suitable for use in hot tubs or whirlpools.

DIRECTIONS FOR USE IN SPAS/WHIRLPOOLS/HOT TUB

Initial Dose: Add 12.8 ounces of 50% MR. HOLIDAY per 5,000 gallons of water. Initial dose is used upon filling of Spa/Whirlpool/Hot Tub Bath.

Maintenance Dose: Add 3.2 ounces of 50% MR. HOLIDAY Swimming Pool Algaecide per 5,000 gallons of water. Maintenance dose should be added at 3-5 day intervals. If high temperatures prevail or Spa/Whirlpool/Hot Tub has unusually heavy use, add maintenance dose more frequently.

Drain and Clean Spa/Whirlpool/Hot Tub Bath at least once a month or as needed depending upon bathers use.

MR. HOLIDAY 50% ALGAECIDE

Concentrated Swimming Pool Algaecide
Keeps Pool Water Clear and Free of Visible Algae
Controls Algae Slime in both Swimming Pools
and outside Spa/Whirlpool/Hot Tub Baths

PRECAUTIONARY STATEMENTS

Hazard to Human and Domestic Animals

ANGER

Keep Out of Reach of Children. Corrosive. Causes severe eye, nose, skin or clothing, wear goggles or face shield. Harmful or fatal if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL INFORMATION

In case of contact, immediately flush eyes or skin with water. For eyes, call a physician. Remove and wash contaminated clothing. Drink promptly a large quantity of milk, egg whites, potato starch or other bland food. Avoid alcohol. Call a physician if symptoms persist.

NOTE TO PHYSICIAN

Probable mucosal damage may complicate the use of respiratory shock as well as oxygen and mechanical ventilation may be needed. If persistent convulsions, intravenous injection of a short acting barbiturate drug is recommended.

ENVIRONMENTAL HAZARD TO FISH AND WILDLIFE PREVENTION

This pesticide is toxic to fish. Do not discharge into lakes, streams, rivers, or other bodies of water. For guidance, contact your State Pesticide Control Agency.

STORAGE AND DISPOSAL

- DO NOT CONTAMINATE WATER, OR FOOD.
 - BY STORAGE OR DISPOSAL:
 - OPEN DUMPING IS PROHIBITED
 - DO NOT REUSE EMPTY CONTAINER
- Pesticide Disposal-Pesticide or residue that cannot be disposed of in a landfill approved for pesticides or other hazardous waste should be disposed of in a landfill approved for pesticides or other hazardous waste. Do not reuse empty drum. Return for refilling or crushing and burying in a safe place.

See side panel for additional information.
