

FEATURES

MARC 50D Bowl Cleaner is a disinfectant bathroom bowl cleaner designed for hospital use. This disinfectant toilet bowl cleaner is especially formulated to kill many germs commonly found in hospital and industrial environments. MARC 50D Bowl Cleaner is designed for use in toilet bowls and urinals.

MARC 50D Bowl Cleaner contains an acid compatible detergent system that removes resistant stains and increases its disinfectant action.

When used as directed, MARC 50D Bowl Cleaner **CLEANS, DISINFECTS, AND DEODORIZES IN ONE EASY STEP!**

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Flush toilet: Add 1 fluid oz. (2 tablespoons) directly to water in toilet bowl (1/4 gallon). Brush to cover all bowl surfaces including under the rim. Flush toilet.

For badly stained bowls, repeat above treatment using 2 to 4 fluid ounces of MARC 50D Bowl Cleaner.

For use in urinals, add 1 fluid oz. (2 tablespoons) to 1/4 gallon of water. Apply by brush to all urinal surfaces. Flush.

At 1 fluid oz. 1/4 gallon water, MARC 50D Bowl Cleaner is effective against *Pseudomonas aeruginosa*, *Salmonella choleraesuis* and *Staphylococcus aureus* (in toilet bowls and urinals). This performance has been confirmed by the AOAC Use-Dilution Test Procedure.

The cationic detergent system of MARC 50D Bowl Cleaner inhibits the acid corrosion of metal parts found around toilet bowls and urinals.

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals

DANGER

Corrosive. Keep Out of Reach of Children. May be fatal or harmful if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin or on clothing. Rubber gloves and either goggles or a face shield should be worn during mixing.

Statement of Practical Treatment

If swallowed, call a physician immediately. Drink a teaspoonful or more of milk of magnesia or a cup of soapy water followed with milk or raw egg whites.

Eye Contact: Wash with water for 15 minutes. Get prompt medical attention.

Skin Contact: Wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

STORAGE AND DISPOSAL:

★ This product must be kept in locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

★ Do not contaminate water, food, or feed by storage or disposal.

★ Open dumping is prohibited.

★ Do not reuse empty container.

PESTICIDE DISPOSAL

Pesticide or insecticide that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL

Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place.

GENERAL

Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.
