

## PURGE

A contact, non-selective vegetation killer for the control of broadleaf weeds and grasses

**CAUTION:** May be harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes, or clothing. Concentrate may cause skin damage. Symptoms of injury may be delayed. In case of skin contact, wash immediately with water, remove clothing and wash skin where necessary. For eyes, wash thoroughly with water and get medical attention. Wear face shield, rubber gloves and rubber apron when handling concentrate. Do not breathe spray mist in order to avoid nasal, throat and respiratory tract irritation. When spraying or when contacting sprayed vegetation wet with spray, dew or rain, wear waterproof footwear and clothing. Do not contaminate feed, foodstuffs or drinking water. Do not store or transport with feed or food. Do not apply under conditions involving possible drift to food, forage or other plantings that might be damaged or the crops thereof rendered unfit for sale, use or consumption.

This product is toxic to wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

# PURGE

liquid weed & grass killer for  
municipal & industrial use

USE No. 7234-14

## PURGE

### USES:

1. General weed control in non-crop areas. Controls broadleaf weeds, brush and grasses. Kills most every type of plant life on contact. It kills through the leaves only.
2. General weed control in shrub areas. Chemical will not injure desirable plants as long as spray does not come in contact with leaves of these plants. Chemical becomes inactive on contact with soil; therefore, plant roots do not take up chemical and chemical does not build up and become toxic at a later date.
3. Spot weed control in lawns and other areas. Will kill undesirable grasses in lawns if these grasses are spot sprayed.
4. General vegetation control around buildings and other installations, gardens, walkways, patios, storage areas, beneath greenhouse benches, fence lines, golf courses, parkways, driveways, ditches, sand traps and similar areas where any type of vegetation is undesirable.

### CONDITIONS OF SALE:

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH CAUTIONS, WARNINGS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS. KEEP PESTICIDE IN ORIGINAL CONTAINERS. DO NOT PUT CONCENTRATE OR DILUTE INTO FOOD OR DRINK CONTAINERS.

DIRECTIONS: NON-CROP OR NON-PLANTED AREAS.

**CAUTION:** KEEP OUT OF REACH OF CHILDREN  
SEE OTHER PRECAUTIONS ON SIDE PANEL.
