

NOT REVIEWED
in Accordance with IR Notice 82-2.
Based on Draft Regulations dated 1/1/82

This product is a cleaner, disinfectant designed for institutional use such as hospitals, nursing homes and schools where housekeeping will be of prime importance in controlling the hazard of cross-infection from environmental surfaces. It can provide the assurance you need in this area when used as directed. For use on floors, walls, sink tops, garbage pails, telephones, rest rooms, bed pans and operating rooms. Effective against Staphylococcus aureus, Salmonella choleraesuis and Pseudomonas aeruginosa. Also effective against pathogenic fungi, Trichophyton interdigitale.

**PRECAUTIONARY STATEMENT
HAZARD TO HUMANS AND DOMESTIC ANIMALS**

DANGER
KEEP OUT OF REACH OF CHILDREN
Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles and face shield when handling concentrate. Harmful if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT
In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink egg whites, gelatin solution or if these are not available, drink large quantities of water. Probable mucosal damage may contraindicate use of gastric lavage. CALL A PHYSICIAN IMMEDIATELY.

STORAGE AND DISPOSAL
DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.
STORAGE-Store in a dry place no lower than 50 degrees F, or higher than 120 degrees F
CONTAINER DISPOSAL-Do not reuse empty container. Rinse thoroughly before discarding in trash. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office or guidance

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTANT WITH ITS LABELING

THIS PRODUCT HAS BEEN DESIGNED SPECIFICALLY FOR HOSPITAL AND INSTITUTIONAL USE

DISINFECTION

Use at 2 ounces per gallon. This product will be effective against Pseudomonas aeruginosa FFD 17 at this level. This has been substantiated by the AOAC Use Dilution Test. At this level, the product is fungicidal against pathogenic fungi.

For best results, use this product with a cloth or mop and apply to walls, floors and other hard surfaces.

The disinfecting solution must contact the surface for 10 minutes for proper disinfection. If desired, the surface may then be rinsed with clear water or wiped clean with a clean damp cloth.

For heavy soil or organic matter, a pre-cleaning step is required.

This product when used on environmental, inanimate, hard surfaces at 2 ounces per gallon of water is effective against Influenza A2, Herpes Simplex, Adenovirus type 2 and Vaccinia viruses.

PHONE 412-422-7785

- g. Revise the sentence "A pre-cleaning step is recommended" to "A pre-cleaning step is required."
- h. Include the 10-minute contact time for the disinfectant section.
- i. Delete the word "milk."
- j. On the left panel above the word Danger, add the following statements:

**Precautionary Statement
Hazards To Humans and Domestic Animals**

- k. The signal word "Danger" must be placed directly below the "Keep Out of Reach of Children" heading.
 - l. On the left panel, the term First Aid must be changed to "STATEMENT OF PRACTICAL TREATMENT."
 - m. Delete the sanitization statement on the label.
2. We have adjusted our records accordingly:

Old Product Name: Triple Crown Cleaner
New Product Name: Triple Crown

3. Submit five (5) copies of final printed labeling before you release the product for shipment. Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 557-3675.

Sincerely yours,

John H. Lee
