INERT INGREDIENTS99.9%
	TOTAL	100.0%

DIRECTIONS: Bell Diphacinone concentrate is to be added to 19 parts of a palatable base material for control of Rats and Mice. (5 lbs. of concentrate to 95 lbs. of base)

Notice to Formulators: Formulators who use this product are responsible for providing data to support registration. For further information on chemical and physical properties request Technical Data Sheet #3.

CAUTION

KEEP OUT OF REACH OF CHILDREN

If swallowed by humans, pets, domestic animals, or wildlife, this material will reduce the clotting ability of the blood and cause bleeding. In such cases, intravenous and oral administration of Vitamin K combined with blood transfusions are indicated as in the case of hemorrhage caused by overdoses of hydroxy coumatin. In case of ingestion, call a physician.

Empty containers are not accessible to children, pets, wildlife and domestic animals or placed in tamper-proof boxes.

DO NOT REUSE EMPTY CONTAINER, DESTROY IT BY BURNING OR BURYING WITH WASTE.

NET CONTENTS 5 lbs.
